Agency Technology Goals And Objectives

AGENCY TECHNOLOGY GOALS AND OBJECTIVES

Goal: The Legislative Council, consisting of 17 legislators, oversees the interim activities of the legislative branch, conducts studies, monitors activities of the other branches of state government, provides oversight of matters of interest to the legislative branch, makes arrangements for legislative sessions, and recommends legislation to the Legislative Assembly. The primary goal of the Legislative Council staff is to provide administrative, research, analysis, drafting, and technical support services for the legislative branch.

Goal: The Council will improve the efficiency of its staff with modern, integrated information technology tools that are well supported.

Objective: Replace aging hardware.

Goal: The Council will improve information services it provides to legislators.

Objective: Replace all Lotus Notes applications.

Goal: The Council will have easily and publicly accessible, accurate, and consistent data.

Objective: Continue to update the quarterly Administrative Code supplements and other information on the home page.

Goal: The Council will build human resources through training.

Objective: Continue to provide on-line, classroom, and individual training to staff.

Goal: The Council will have well-documented procedures and applications.

Objective: Require complete documentation of developing applications.

1. If applicable, describe the reason for any extraordinary increase or decrease in your infrastructure costs.

Computers will be 5-6 years old and need to be replaced.

2. Total number of desktop computers: 14
Number of desktops for which you are requesting replacement funding: 14
Average replacement cost/desktop: 722

3. Total number of laptop computers: 28
Number of laptops for which you are requesting replacement funding: 28
Average replacement cost/laptop: 1,075

What state planning region are these desktop/laptop computers located?

Region 1	0	2	0	3	0	4	0	5	0	6	0	7	42	8	0
----------	---	---	---	---	---	---	---	---	---	---	---	---	----	---	---

4. What percentage of these pcs are running the following operating systems:

(total should be equal to 100%)

Windows 98	0 %
Windows NT	0 %
Windows 2000	100 %
Windows XP	0 %
Other	0 %

5. What additional expenditures are being paid out of non-appropriated funds?

Please explain:
